The **Finance and Resources Committee*** is a sub-committee of the main Governing Body. Its purpose is to consider and advise the governing body on standards and other matters relating to the school's finance and resources, including statutory requirements and the school's financial policy.

The **Curriculum and Staffing Committee** is a sub-committee of the main Governing Body. Its purpose is to consider and advise the governing body on standards and other matters relating to the school's curriculum and staffing, including statutory requirements and the school's curriculum policy.

The Governing Body changed the format of their meetings in March 2015 because it was felt that all the facts were not available at each separate meeting which meant that it was difficult to make decisions and plan for the future. Therefore, instead of having separate "Finance and Resources" and "Curriculum and Staffing" Committee meetings, the two committees met together so that all governors could attend each meeting and all relevant information could be discussed.

At the AGM in December 2017 the Governors after discussion reverted back to having two separate meetings. Mrs S Herdman was appointed Chair of the Finance and Resources committee and Mrs P Hughes was appointed Chair of the Staffing and Curriculum committee.

During the year Mr K Gwynne, who is the School Business Manager, was asked to attend the joint committee meetings and then the Finance and Resources meetings, as indicated below.
