

Lady Hawkins' School

Kington - Herefordshire

Headteacher: Mr Paul Jennings M.Phil BSc (Hons)

Monday 28th January 2019

Dear parents and carers,

The Big Bang is an annual event which this year is taking place at the NEC in Birmingham. There are hundreds of displays and demonstrations with a Science and Engineering theme as well as scheduled workshops and lectures. It is the largest celebration of Science, Technology, Engineering and Maths for young people in the UK. To help students plan to get the most out of this opportunity, information can be found at www.thebigbangfair.co.uk.

On Wednesday 13th March we are offering a place to all year 7 students to enrich their experience of both Science and Technology. Entry is free, we will organise the transport, and all your child will need is food and drink for the day. We will leave LHS at 8.00am and return to school between 6.00 and 6.30pm.

The cost for students is £5.00 which will go towards the cost of transport. Students are required to wear school uniform. Places are limited and schools will be allocated tickets on a first come first served basis.

Yours faithfully

K. Latimer

.....
Please indicate on the form below if you want your child to take up this opportunity and return it to Miss Latimer by Friday 15th February 2019.

I would like/ not like _____ to attend the trip to The Big Bang on Wednesday 13th March 2019.
