

Year 8 Residential

St Davids 2022

Introduction

We will be based at Celtic Camping, a few miles outside of St Davids. Activities will take place at Whitesands beach or at the harbour in Porthclais. All activities are led by TYF, which is an adventure company based in St Davids.

Meals

Apart from lunch on the first day, all meals are provided. There is a cooked breakfast, cereal and toast each morning and a hot meal in the evening. Packed lunches will be provided for lunchtime.

Please ensure that you have indicated on the data form if your son/daughter has any dietary requirements. Please also ensure that your son/daughter has a packed lunch for the first day.

Spending money

We will be stopping for a refreshment break on the journey to St Davids and there will also be time to visit some shops on the first afternoon. The ice creams at Gianni's are particularly popular each year. There may also be opportunities on some afternoons to purchase ice creams and drinks at the beach. We would therefore recommend around £10-15.

Mobile phones and electronic devices

We have taken the decision **NOT TO ALLOW** any student to bring a mobile phone or electronic device. There is no student Wifi at our

accommodation and there is little to no mobile phone signal. There have been breakages in the past and we would like to avoid the issues that arise as a result. This will also help students get a good nights sleep. Your support on this would be appreciated.

Contacts

In emergencies during the school day then please contact the school office who will get a message to us.

Out of school hours in emergencies we can be contacted at Celtic Camping on 01348 837405.

For non-emergencies queries while we are away you can contact us via email: ab@lhs.hereford.sch.uk. This will be checked each evening.

Updates on the trip plus any changes to the return time will be posted on the school Facebook site.
