5<sup>th</sup> July 2018

Dear Parent / Carer,

## GDPR

We are currently undertaking a review of our data protection arrangements within the school and as part of that process we need to check that the data we hold about each of our students is correct. Apologies for the large amount of forms to fill in, but we are required to do this under the new GDPR laws.

**Please return all forms to the school office by Thursday 12<sup>th</sup> July 2018.**

## Parental Access

We have moved all our student database information across from EPortal to the SIMS system, bringing us in line with most other schools and therefore allowing for easier data transfers between schools.

This new system does mean that the parental access system we had in place using EPortal will cease to work at the end of this term. We are currently looking into suitable alternatives to the EPortal parental access and will let you know when we have one in place.

## Show My Homework

Due to the database move the Show My Homework system has had to be reset. Apologies for this, but it is out of our control. We will be re-issuing parent and student PINs at the start of the autumn term.

Thank you for co-operation during this period of change.

Yours sincerely,

Mr P Jennings  
Headteacher
