Lady Hawkins' School was recognised by Ofsted in January 2018 as a Good School and is seeking to appoint an inspirational, enthusiastic and highly motivated qualified classroom teacher to engage positively with our learners and to encourage them to be at their best every day. We strive to ensure that our learners receive a consistently good or outstanding learning experience; they deserve nothing less, as we move to the next phase of our aim to become an outstanding school.

This is an excellent opportunity for a maths specialist who is newly qualified or a more experienced teacher to deliver Maths at KS3 & KS4.

The Mathematics Faculty plays an important role in the curriculum for all learners at KS3 and KS4. Students follow a skills based programme of study which addresses the requirements of the National Curriculum at KS3 in preparation for the demands of the new GCSE specifications.

At Lady Hawkins' School, we are dedicated to providing an inclusive and supportive education with everyone being treated equally, irrespective of their circumstances. We take our safeguarding responsibilities very seriously and the successful candidate will have to undertake an enhanced DBS check before taking up this post.

If you have the skills, drive, commitment and ambition to become a part of our team, then we would like to hear from you. This is an excellent opportunity for you to join an experienced, skilled and supportive staff and to build and develop the role of teacher of Maths within the school.

Interviews will be held on Friday 10<sup>th</sup> January 2020 and shortlisted candidates will be contacted by email and letter.

There is a wealth of information about the school on our website, [www.lhs.hereford.sch.uk](http://www.lhs.hereford.sch.uk) and please feel free to contact us if you would like to arrange a visit to the school or require any other information before you apply. I wish you the best of luck with your application and look forward discussing this exciting opportunity with you further.

Yours sincerely,

**Mr P Jennings**
